

ROLLS-ROYCE ENTHUSIASTS' CLUB

56th ANNUAL CONCOURS AND RALLY

Friday 19 – Sunday 21 June 2015

BURGHLEY HOUSE, STAMFORD

Plans are now coming together for the Club's Flagship Annual Concours and Rally. Jane Pedler has been working very hard to produce an entirely new layout both for Class parking and the parade of winning cars to the prize giving area. All pre-booked Club cars will be displayed against the magnificent background of Burghley House. We try to keep the rally as compact as practicable, but with upwards of 1,000 large cars, trade stands, auction area, Club and catering village, and special parking areas – not to mention the important safety considerations - the event inevitably will occupy a large area.

H&H Classics Limited have confirmed that they will be supporting us by holding an auction of automobilia and cars on the Saturday, and will invite members to their Friday evening pre-auction viewing and reception. They are offering us very competitive commission rates on sales of our cars and other items.

The Rally team is actively pursuing additional activities and attractions, and Bristol Owners Club (BOC) and the Bristol Owners and Drivers Association (BODA) have both accepted our invitation to join us at Burghley.

A Gala Dinner is being arranged for the Saturday evening at The Holiday Inn Peterborough West, Thorpe Wood, Peterborough. PE3 6SG, where the Rally team will be staying. The hotel is only 12.5 miles from Burghley House, and they have agreed to offer a special discounted rate for a double / twin room of £60.00 per night bed and breakfast for members booking in advance for either the Friday, Saturday or Sunday nights. Room upgrade is also available for an extra charge. To obtain these rates, you must mention you are with the Rolls-Royce Enthusiasts' Club when you contact them by phone: 44 (0)1733 289988, fax: 44 (0)1733 262737, or email: Peterborough@qmh-hotels.com

Search Google to find alternative hotels in the Peterborough and Stamford areas, or to discover the many attractions of Rutland Water and these historic towns.

The Rally team looks forward to your continued support for this, our flagship Rally and Concours d'Elegance for members from around the world. A request form for entry packs will be in a future Bulletin, or downloaded from the Club's website from the end of January 2015.
