IMPORTANT ANNOUNCEMENT

Following discussions between the parties controlling the Bristol brand and associated IPR , trademarks etc. and the Liquidators of Bristol Cars Ltd and Bristol Cars Services Ltd we have been informed that in all likelihood Wyles Hardy & Co. will be instructed to realise the IPR assets.

This would be in addition to the assets we are currently marketing (below) on behalf of the Liquidators of Bristol Cars Ltd and Bristol Cars Services Ltd . As a result the dates for final offers for the inventory of stock parts new and used, the drawings library and archive including those for the Fighter model and Project Pinnacle – Bullet prototype car, drawings and associated chassis' will be moved back pending confirmation of instruction.

As this news has a material effect on the assets currently for sale we are sure you understand these steps. Please do not hesitate to contact us should you have any queries regarding the above.
