

East Of England Bristol June Newsletter

Before I get onto the exciting news about some new events, and a reminder about ones you will already be aware of, a quick recap on the year so far.

We enjoyed a superb event to celebrate the Kings Coronation on Sunday 7th May generously hosted by Bob and Maureen at their super home & wonderful garden in Essex. Ten Bristols in attendance, and the sun shone!

Thanks to Warren Banks, who is a British Racing Drivers Club member, together with the skilled organisation of Michael Barton, Bristol owners had the opportunity to join a Bristol 403 and 404 70th anniversary lunch in the BARC clubhouse at Silverstone on 27th May, coinciding with the HSCC International Trophy races. A parade lap took place at lunch time, ex Bristol employees were in attendance, and we were regaled with stories by Richard Hackett. Another perfect event, again in the sunshine.

So great first half the year, and coming up we have

First up a meeting near **Cambridge**, organised by Mark Stuart, on **Saturday June 10th**.

This is from 11am at Lion & Lamb, Milton - Milton is just off the A10 / A14 junction to the north of Cambridge. Address - High St, Milton, Cambridge CB24 6DF / Telephone - 01223 860202
No need to book, food available

If you can't make that (and sadly I cannot) I have been notified about the **Sheringham Carnival Classic Car and Bike Show - Sunday 11 June 2023** - not a Bristol event, but plenty of other interest in Sheringham to enjoy including the heritage railway

BODA have a stand at the **Festival of the Dead** Burghley House Stamford on **Sunday 2nd July**. Let me know if you can display a car on the stand (if you can please let me know cmdady@btinternet.com). It should be a very interesting event drawing together cars made by manufacturers no longer in existence, with car related workshops too. The excellent value entry is per car, and that tickets gives half price admission to the house and gardens - so something for everyone

At the end of July (**Saturday 29th**) we are being invited by Paul Woolmer of **Woolmer Classic Engineering Ltd** to visit them near **Bedford**. This will be a fascinating visit and Paul's workshop will be full of interest. From 2pm - no charge, there will be refreshments, and Paul has asked you to book via myself - cmdady@btinternet.com

Other events (see past Newsletters) -

Norfolk Churches run - 5th August - I have entered the 403

Helmingham Hall, Suffolk, we hope to have a joint meeting with the Facel Vega Car Club, on Sunday 6 August

Distinguished Gentleman Drive, Bury St Edmunds in Suffolk on 24th September

Culford Classic Car Show at Culford Hall near Bury St Edmunds 16th July

Layer Marney Cup 13th August Essex

So please put these in your diary - and hope to see you soon

Please let me have any pictures of events you have attended

Happy Bristol motoring

Chris Dady
